

REMEMBER, REMEMBER

2025 VINTAGE

MEMENTO MORI

a conversation on life and time

*Remember, too,
that you must live.*

Memento Mori's two components were vinified separately and underwent malolactic fermentation in their own barriques.

They were then blended into a large single barrel in August 2025, where they have been in dialogue for 11 further months before bottling. These have been in barrel for 17 months.

This is a tribute to the Stoics, who teach radical acceptance.

COMPOSITION

50% Sangiovese
50% Cabernet Franc

ORIGIN

Helderberg

SOIL

Decomposed sandstone
on a granitic base

PRODUCTION

One barrel
